```

The diagram illustrates a header file relationship. At the top is a grey rectangular box containing the text 'OMSimPrimaryGeneratorAction.hh'. Below it are two white rectangular boxes. The left box contains 'OMSimPrimaryGeneratorAction.cc' and the right box contains 'OMSim\_effective\_area.cc'. Two blue arrows originate from the top-right corner of the left box and the top-left corner of the right box, both pointing towards the bottom edge of the top box, indicating that both source files include or depend on the header file.
