The diagram illustrates the dependencies of the OMSimEventAction.cc source file. It is a rectangular box with a grey fill and a black border, positioned at the top center. Two blue arrows originate from the bottom edge of this box and point downwards and outwards to two separate boxes below it. The left box is white with a thin grey border and contains the text 'OMSimEventAction.hh'. The right box is also white with a thin grey border and contains the text 'G4RunManager.hh'.
