```

The diagram illustrates a header file dependency. At the top is a grey rectangular box labeled 'OMSimPrimaryGeneratorMessenger.hh'. Below it are two white rectangular boxes: 'OMSimPrimaryGeneratorAction.cc' on the left and 'OMSimPrimaryGeneratorMessenger.cc' on the right. Two blue arrows point from the top-right corner of the left box and the top-left corner of the right box towards the bottom edge of the top box, indicating that both source files include or depend on the header file.
