

OMSimG4RadioactiveDecay.hh

```
graph BT; A[OMSimG4RadioactiveDecay.cc] --> C[OMSimG4RadioactiveDecay.hh]; B[OMSimPhysicsList.cc] --> C;
```

The diagram illustrates a dependency structure in a software project. At the top, a grey rectangular box contains the text 'OMSimG4RadioactiveDecay.hh'. Below this box, there are two white rectangular boxes. The left box contains 'OMSimG4RadioactiveDecay.cc' and the right box contains 'OMSimPhysicsList.cc'. Two blue arrows originate from the top-right corner of the left box and the top-left corner of the right box, both pointing towards the bottom edge of the top box. This indicates that both source files include or depend on the header file.
